

**Maternity Cover: Salaried GP.**

**Location: Wembury, South Hams, Devon**

**Closing Date: 15/05/2021**

**Practice: Wembury Surgery**

**Contact: [pollywaterman@nhs.net](mailto:pollywaterman@nhs.net)**

Wembury Surgery are seeking a 3-4 session per week salaried GP to provide 6-9 months of maternity cover within our friendly and supportive team. We provide comprehensive services with quality, personalised care to our 2,750 patients. Wembury is a picturesque coastal village on the outskirts of Plymouth, situated by a beach and close to Dartmoor National Park.

We are looking for a motivated individual from September 2021 who is enthusiastic, forward thinking, and adaptable to work within our well established and friendly team (2 Partners, 2 salaried GPs). The position would also suit recently qualified GPs.

The post is part-time, working 3 sessions over 2 days with extra sessions available for holiday cover.

- CQC inspected – Good in all aspects
- High patient satisfaction scores
- Part of the active and successful Mewstone Primary Care Network
- Experienced and supportive nursing and administrative teams
- Medical student teaching practice
- SystemOne clinical system with Ardens
- Consistently high achieving QOF / Enhanced Services
- 90% dispensing with proficient dispensing team
- Supportive patient group

We would be very pleased to meet with and talk to potential candidates including newly qualified GPs. For further information please contact Mrs Polly Waterman, Practice Manager
