

Saltash Health Centre GP Partner

Are you looking for a great work-life balance? Saltash is a market town on the main London Paddington line close to Dartmoor and wonderful unspoilt beaches of Devon and Cornwall. Our expanding training practice would love to welcome a great GP(s) to join our happy team to replace a retiring Partner. We are a well-established practice of 12000 patients with a supportive stable multidisciplinary team. Working days and session timings are negotiable.

Why join us?

- Highly organised innovative and profitable practice
- 4 Partners, 5 Salaried GPs working alongside a comprehensive team of nursing and allied health professionals.
- Total triage hub with on-the-day paramedic-run assessment clinic
- Supportive, dedicated clinical, administrative and management team striving for excellent compassionate patient care and staff wellbeing.
- Mixed working week with varied roles compliant with the BMA recommended safe working guidance.
- Twice daily clinical team time to catch up over coffee – and often good cake!
- 7 weeks leave (includes 1 week study)
- Regular in-house programme of CPD, and team building utilising practice closure afternoons.
- Established training practice with strong links to Peninsula Medical School and the South West Deanery.
- Opportunity to develop special interests and to become a Trainer/Clinical Supervisor
- Tier 2 Visa Sponsor
- Kernow Health CIC relocation/support package for GPs moving from outside Cornwall, <https://www.kernowhealthcic.org.uk/cornwall-traininghub/attract-and-recruit/introduction-to-cornwall/>
- Amazing team of salaried GP's who are happy to talk to any interested GP's about the inside track

This role would suit an experienced GP Partner or someone considering their first Partnership role. Informal visits and enquiries are welcomed – please contact our Deputy Practice Manager Rachel Mullenger on 01752 973644 or email saltashhc.letters.saltashhc@nhs.net for more information.
