3-MONTHLY TRAINEE FEEDBACK

In order to tailor the Practice year to meet your own needs, it helps your trainer to know your reaction to the work and teaching you have had so far, in case any alterations should be made over the next 3 months. Comment as freely as you feel able.

Ring 'A' if you would like less

Ring 'B' if you want to carry on at the same rate

Ring 'C' if you would like more
