

## Swindon GP Training Programme

### Local Education Provider Organisations (EPOs)

In addition to Swindon Education Trust (SET) that covers Swindon & the surrounding area there are several other active Education Provider Organisations (EPOs) in the Severn region which are broadly patch based.

Further information about local education events run by EPOs in the region is available through the following links to their individual websites. Some of these organisations also provide additional support for sessional doctors.

- Bath <https://bathgped.co.uk/index.aspx>
- Bristol & Avon Health Education – <https://avonlmc.co.uk/training/avon-health-education/>
- Gloucestershire <http://www.ggpets.org.uk/>
- Somerset <http://www.somersetgpeducationtrust.co.uk/>
- Doc2Docs <http://www.doc2docs.com/category/news>

All the Education Provider Organisations (EPOs) exist to provide quality education delivered at a local level. If you are a member of a local EPO reciprocal arrangements exist for you to attend any EPO meeting in Severn, often without
