

Why choose Blackpool?

- Excellent **simulation-led teaching**, plus **clinical experience** in Primary and Secondary Care across the Fylde Coast
- **Simulation & Clinical Skills Centre**, run by a dedicated team
 - 2 “mock” clinical areas, with observation rooms
 - Full range of remote controlled manikins
- **Medical Education Centre**
 - Library - 24/7 access
 - Meeting rooms and lecture theatre
- Off-site **Development Day** to promote team working and get to know your year group
- Onsite **training courses** – BLS, PILS, ILS, NLS
- Optional **CETAD Leadership** course accredited by Lancaster University (FY2)
- **Clinical meetings**, MDTs & Grand Rounds
- Undergraduate **teaching opportunities**
- Dedicated **Medical Education team**, to co-ordinate and support your training
- Active **Doctor’s Mess** social calendar
- On-site **accommodation** available

Blackpool Victoria Hospital forms part of the Blackpool Teaching Hospitals NHS Foundation Trust and is one of the busiest District General Hospitals in the country.

The Trust offers 36 Foundation Year 1 posts, divided between 12 Tracks - offering trainees a wide and varying experience in all aspects of medicine.

Foundation appointments are 2 years in duration, with each Foundation Year 2 Track including a 4 month rotation in General Practice.

"You couldn't find a better place to work and prepare for this (career) than at Blackpool Victoria Hospital. The teaching is excellent and the interaction between senior and junior doctors could not be bettered anywhere. I'm very happy here."

FY1 Trainee 2016-17
