# RTC September 2021

## Trainee Support

- RCA Sox
- AKT Sox
- TALC – [www.gmthub.co.uk/TALC](http://www.gmthub.co.uk/TALC)
- DA champions
- Mohan is developing a resource around GP capabilities

# UUC

- Has to be done despite what some ST's say
- Most of the evidence has to be from work with ooh provider
- Some evidence from GP posts is acceptable
- Some evidence from hospital jobs is also acceptable if primary care related
- No magic number
- You as ES assess and decide if competence supported
- Panel can disagree with you
- Extensions need to continue to provide evidence that capabilities are maintained
- Time off in lieu

# Study Leave

- 1 AKT and 1 RCA course approved – not all courses are approved
- As an example AKT guaranteed to pass course at £995 is not approved
- Subscriptions are not approved
- If in doubt please ask SL team
- Will not approve MSc, Masters or Diplomas
- Post CCT will only be considered in ST3 if all going well
- Will not fund GPwSI development
- No individual SL budget

# Out of Programme

- Career Break
  - Training
  - Clinical Experience
  - Research
  - Pause
- 
- 6 months notice
  - Discuss with ES / TPD
  - Normally after completing ST1
  - E or R not allowed in last year of training
  - 1 year normally, Dean can agree 1 further year

# LTFT

- Category 3 pilot
- Why is it being introduced?
- No particular reason to go LTFT
- 4 months at 80% WTE from February then June and October
- From early 2023 all ST's can request LTFT training

# Trainee Issues

- Recruitment
- CREST form
- ST1 never worked in the NHS, last worked clinically 5 years ago and arrives in A/e August 4th
- DA support
- Suspended trainees
- Dignity and Respect at Work

# Any Questions?
