Regular workshop - no fixed agenda – see below

August 2015

Regular workshop - no fixed agenda – see below

Subjects for discussion –

Educational agenda is usually set a few weeks in advance of each meeting depending on the needs of members. As new members join we often revisit topics to share expertise and knowledge.

- regular peer review = approx 50% of meeting time
- using DVD/video as a teaching and learning tool
- Benchmarking
- difficult trainees
- educational supervisors reports
- learning logs – how to make them useful, how to validate
