Portfolio overview: ST2-3

A reminder to all trainees sitting the SCA in November, please complete your SCA Platform Walkthrough as soon as possible to ensure you are familiar with the platform functionality.

The RCGP is consulting on the introduction of some new Care Assessment Tool (CAT) formats/options. We'd be very grateful for your time in taking a short, voluntary survey to gather your feedback. The survey can be found at this [link](#)

Roadmaps updated March 2023

HEE (Wessex) have created suggested Roadmaps for trainees. These are to be used as a guide for trainees to show when expected WPBA are to be completed and to help make sure that they complete enough on a regular basis. There are different Roadmaps for Full Time, 80%, 70% and 60%. These are guides only and the RCGP website is where the exact requirements should be taken from.
