

## COMMUNICATION SKILLS TEACHING

- Communication Skills are incredibly important and as recognition of this we dedicate specific time to this throughout the 3 year programme
- ST1s have a half-day session in first year dedicated to communications skills.
- ST2s also have a half-day session during their ST2 year dedicated to communication skills.
- You should experience analysis of video consultations during your GP placements.
- ST3 have a 2 day communication skills course in the Autumn of ST3.
