

Thames Valley Primary Care School

Recruiting for Primary Care Quality Improvement Fellowships 2020-21

HEETV Primary Care School would like to announce a primary care quality improvement fellowship programme to run in 2020

Improving
population
health

Digital
innovations and
technology

Leadership,
coaching,
quality
improvement

The fellowships provide the opportunity to combine a clinical role with funded professional development. We are looking for talented and motivated post CCT GPs and primary care clinical professionals, working within Frimley and BOB PCNs, who are keen to make a difference for their local population

You are invited to apply with an expression of interest for this fantastic opportunity.

Closing date Midnight 29th March 2020

For further information on this funded opportunity contact:
