

Severn School of Primary Care Sheet for comments about QI presentations:

Please consider the following themes when selecting your top three QI projects:

- Relevant
- Innovative
- If evidence of change/ improvement from the project, meaningful consideration of ways to make change(s) sustainable
- If improvement was not demonstrated, meaningful consideration of why this may be the case and potential solutions
- Problem solving approach to challenges/ issues
- Transferability to other practices/ trainees
- Evidence of personal reflection and learning from QI process
- Engaging, clear, interesting presentation

Trainee Name	Comments about project/ presentation (see themes above)
	PTO for more space, if needed

Please book your place to attend the annual celebration of your graduation from GP training on the afternoon of Weds 18th July 2018.

We have updated this year's event to ensure that it is focused on each of your successes and contribution to GP training and is intended to be a real mark of achievement for you all. It's free to attend, we have an inspiring guest speaker and there's a BBQ as well!

Please book your place via the RCGP Severn Faculty website.
